

Forklifts

Poultry Field Loader

B260-H-F81

Features

Engine Model: John Deere 4045D rated 80HP
..... @ 2200 RPM
Block heater..... 120V AC
Transmission: Hydrostatic pump Linde
Hydrostatic Motor Linde
Hydraulics: Commercial gear type
Flow 30gpm @ 2400 RPM
Axles: Drive New Holland D45
Steer Bright's
Capacities: Fuel 38 gal.
Engine oil..... 15.8 quarts
Hydraulic oil..... 38 gal.
Cooling System 4 gal.
Mast: 3-stage,
Rated lifting capacity
..... 3600 lbs. @ 48" load center
Maximum fork height (MFH) 148"
Overall height lowered (OHL) 81"
Free fork height (FFH) 14"
Tilt: Forward 20°/ Backward 15°
Carriage 48" wide with ± 18° rotation
Side shift 6" total
Forks: Shaft type 84"x5"x1 3/4"
Brakes: Fully enclosed oil-immersed disc type
Parking brake Hydraulic
Tires: Drive 17.5 x 24
Steer 12.00 x 16.5

Weight 14,920 lbs

Overall Dimensions

Height (to top of cab) 81 in.
Length (rear to face of forks) 13 ft. 6 in.
Width (outside front tires)..... 88 1/2 in.

Standard Equipment:

- Poultry light package (2-reds / 4-white on front, 2-reds / 2-white on rear)
- Full instrumentation (gauges)
- Water temperature shut down
